

Julia Workshop

December 3 - 7, 2018

Venue:

Campus of the TUM School of Life Sciences Weihenstephan
Hans Eisenmann-Zentrum (building 4318), room S83/84 (ground floor)
Liesel-Beckmann-Str. 2, 85354 Freising, Germany

Travel Information:

1.) Public transport

- **From Munich Main Train Station (Hauptbahnhof)**

Train (approx. 30 min) or S-Bahn S1 (approx. 45 minutes) to Freising station (Bahnhof). Please note: S-Bahn S1 carriages split at Neufahrn, the front section travels to Freising and the rear section to the airport. At Freising train station take the bus #638 direction "Fraunhofer Institut" or "Hittostaße" (4 stops to "Freising Weihenstephan").

- **From Munich Airport (Flughafen)**

Bus 635 leaves every 20 min and takes approximately 15 min to Freising station. At Freising train station change to bus #638 direction "Fraunhofer Institut" or "Hittostaße" (4 stops to "Freising Weihenstephan").

By taxi cab (approx. 20 min).

2.) By car

- From Autobahn **A92**

Exit "Freising-Mitte". In Freising center follow signs to "Weihenstephan". Follow "Voettinger Straße" west outbound, then turn right onto "Thalhauser Straße" at tyre shop "Nabholz", signposted to Allershausen. After a few hundred meters pass an Avia fuel stop on the right, then pass straight through an intersection with traffic lights. After 300 meters "Liesel-Beckmann-Straße" is on your right. Free parking is available at the venue.

- From Autobahn **A9**

Take exit 67. Follow directions to "Allershausen", then "Freising". Once you reach the town you will hit an intersection with traffic lights and sign posts pointing left to "Erding" and "Mainburg". Go straight over this intersection, after 600 meters "Liesel-Beckmann-Straße" is on your left. Free parking is available at the venue.
